

SYNOPSIS

Wild Istanbul

Wildes Istanbul

The stunning metropolis has a flavor of two continents - Asia and Europe, divided and connected by the Bosphorus straits. Though the Bosphorus is one of the world's busiest shipping routes you can still see three species of dolphin here. For migrating birds it is a toehold as they head north for the European spring. Some animals have come to stay: wild wolves, invading from the east.

Year: 2017

Run-Time: 1 x 52 min.

Directed by Kurt Mayer
