## Oh Christmas Palm

### O Palmenbaum

But this time everything is a bit different: Kathi and Jonas want to get married on Mauritius. Very romantic. Of course, without the family. However: the family gets wind of the affair and surprises the couple by appearing at the airport as well. Same flight, same hotel. The family is reunited unwittingly. However this time the gathering does not take place at home under the Christmas tree but under a palm tree in foreign fields. The reluctant family reunion and the tropical climate heat up the emotions...
