## Backwoods Crimes - Final Settlement

### Landkrimi - Endabrechnung

Commissario Höllbacher made a mistake he can't forget. But at least he wants to try to put everything behind him: the case and vain public prosecutor Nicoletti, who dragged the commissario into the glare of publicity. Höllbacher retires to a quieter post in his home town of Merano where he lives in the former tailor's workshop his late mother ran. His old friend Verginer takes care of him. They talk, drink and even laugh from time to time. At work Höllbacher is written off as a burn-out case. Then a couple are shot in the centre of Merano. She was the famous chairwoman of an Austrian bank. A terrorist background is suspected. Chief Commissioner Thaler calls the once so successful Commissario Höllbacher for help, but he wants nothing to do with the investigations - until Nicoletti interferes in the case. That's the moment Höllbacher knows he no longer has a choice.
