Schönbrunn Palace: The New Empire

Schloss Schönbrunn: Das neue Imperium

Currently, there are 961 monuments in 157 countries that bear the title of UNESCO «World Cultural Heritage» site. Only two sites are financed without being subsidised by the public purse, namely the Tower of London and Schönbrunn Palace. Empress Maria Theresa's baroque summer residence in Vienna was transferred to a private culture and operating company twenty years ago. The project has been a success story! In the intervening period, 162 million euros have been invested in restoration work thanks to ever increasing revenues and higher visitor numbers - financial crisis or no financial crisis! This documentary portrays every aspect of the often very long road to restoration.
