

SYNOPSIS

Precious Metal - Precious Crafts

Edles Metall, edles Handwerk

Empress Sissi was once painted by Franz Xaver Winterhalter: her beauty was mesmerizing but the diamond stars in her hair stole the show. What makes such jewelry so fascinating? How are they made? How important were they in the Kaisers' household? Meet curators, goldsmiths and historians to track down the history of mankind's fascination with Gold and Silver.

Year: 2017
