

SYNOPSIS

The Black Mountain

Glockner - Der schwarze Berg

Mount Grossglockner towers above the Tauern massif like a sentinel over an Alpine paradise of nature. Georg Riha portrays the Austrian Alps' highest summit using state-of-the-art techniques. The camera accompanies mountain goats to the edge of a precipice and hovers above regions man has never entered whereas cable-car rides reveal the true nature of glaciers and waterfalls.

Awards: Trento Film Festival 2001: Trento Film Festival Award, Bergfilm-Festival Tegernsee 2003: Bergfilm-Festival Tegernsee Award, Vertical, Moscow International Festival of Mountaineering and Adventure Films 2002: Vertical, Moscow International Festival of Mountaineering and Adventure Films Award
