

SYNOPSIS

Mama's Boy

Muttis Liebling

Sometimes, Wolferl just leads the life of an ordinary 38-year-old man. That of course is limited to his job as a bank clerk. After leaving the office though, Wolferl again and again turns into »Mamas Boy«. Not only does Maria cook and care for him, she also patronizes him to a certain extent. When Wolferl meets Eva and decides to marry her, Maria plays every trick in the book to boycott the wedding. The reception turns into a disaster. Eva and Wolferl get into an argument, and Wolferl's father even has his secret lover pick him up. When Maria breaks down completely drunk, the ever-loyal son Wolferl stays with her. Eva is disappointed, especially since she had wanted to break the good news of her pregnancy to Wolferl that day. Through his father, Wolferl later finds out about Eva's condition. Now is the time for him to start deciding on how to organize his new life.
