## Polt I - Polt Has to Cry

### **Polt I - Polt muss weinen**

Polt is filled with a deep sense of unease when suddenly one day, the body of a villager is found in a wine cellar deep below one of the farm houses. He ponders over the mysterious death from fermentation gas of wine grower Albert Hahn. He knows how much the deceased was hated by the community. What looked like an accident could well have been a case of murder. Many of the winegrowers had enough reason to kill the monstrous Hahn. Simon Polt is assigned the thankless task of finding the murderer among them - a task that gets murderously hot for him.
