

SYNOPSIS

Tatort - The Tree of Salvation

Tatort - Der Baum der Erlösung

When a young Turkish woman is found hanged in a wooded area, the police at first assume suicide because four other young Turks have already hanged themselves from the same tree. However, the autopsy finds signs of violence and the girl's boyfriend has also disappeared. Investigations begin in the overheated atmosphere of a political conflict: The recent completion of a minaret sets the population groups against each other.
