

SYNOPSIS

Scene of the Crime - The Art of War

Tatort - Kunst des Krieges

On the outskirts of Vienna, a Turkish businessman has been murdered. To Moritz Eisner and Bibi Fellner, the cruelty of the perpetrators suggests that the man was involved with organised crime. In the course of the investigation, Eisner meets a young Ukrainian woman who has been a white slave in the house of the victim for years, and the investigators seem to be on to a gang of human traffickers. When among the associates of the murder victim a violent pimp just released from prison shows up, the case takes a surprising twist, which could be fatal for the two investigators.
