

SYNOPSIS

Tatort - Death at the Congress

Tatort - Tödliche Tagung

Following the sudden death of a friend from her college days, forensic specialist Renata Lang questions its natural cause - especially in view of vague remarks made by the late scientist shortly before her death. Attending a highly explosive medical conference on male reproductive capacity, she had announced that many things were soon to change in her life. Disguised as a journalist, police detective Moritz Eisner conducts undercover investigations.

Year: 2001

Run-Time: 1 x 90 min.
