

SYNOPSIS

Tatort - The Millennium Murderer

Tatort - Der Millenniumsmörder

A car burns up on an open field at the edge of the Vienna Woods. The police discover the remains of a corpse in the vehicle that is surrounded by a symbol that looks very much like a coat of arms dug into the earth. Was this a ritual carried out by a psychopath, or did a murderer from the Vienna sex and porno scene stage this scenario to distract attention from his real motives?
