

SYNOPSIS

Knickarts to you - Aleksey Igudesman

Du Kunst mich - Aleksey Igudesman

It's a provocative way of presenting art and culture: Aleksey Igudesman - composer, cosmopolitan and stand-up comedian, presents an unknown artist in every episode. But instead of a classic portrait, Aleksey starts a not entirely serious dialogue and mixes fantasy and reality in an entertaining way. All kinds of art movements are portrayed in a whole new light.
