

SYNOPSIS

Maidan Revolution: Five Years After

Ukraine - Fünf Jahre Maidan / Ukraine - Zensur und Spannung

Five years after the bloody civil protests on the Maidan, Ukraine stands at a crossroad. The coming presidential and parliamentary elections could be turbulent and trendsetting in equal measure. Hundreds of thousands of people demonstrated on the famous square in Kiev five years ago, demanding closer ties with Europe. Over 80 people were killed in street fights and President Yanukovich fled to Russia. How are the people of Ukraine doing amidst the tensions between pro European and pro Russian groups, between radical nationalism and liberal Reform?
