

SYNOPSIS

When Gods Dance With Devils: Carnival in the Bolivian Highlands

Wenn Götter und Teufel tanzen

For months the artisans' associations toil and labour over the costumes. Masks play an important role. The diablada mask - a devil's mask featuring various animal elements - is the one most in demand and most respected. Lustily acting out devilry is an integral part of carnival, and its goal is the battle of good against evil.

Year: 2002
