

SYNOPSIS

Lake Traun

Leben am Traunsee

This programme shows the people whose lives are rooted in the area around the Traunsee, and their way of life. Carved out of the Limestone Alps, the Traunsee is the deepest inland lake in Austria, and so is only ever slightly warm, even in summer.

Year: 2018

Run-Time: 1 x 45 min.

Directed by Lukas Dallinger

A co-production by ORF III and dallingerfilm Filmproduktion in association with Land Oberösterreich
