

SYNOPSIS

Art City New York

Artcity New York

How much does the city he lives in influence the artist himself? How much does the artist himself influence the city? Taking New York City as an example, Peter Vogel's documentary shows the mechanisms of creativity and urbanity, the procedures that drive the artistic community. To pick the right spot within the city is very important, as are the locations of the galleries that open the doors to the international art market. But there is more to making it in New York: You have to get to know the right people. .
