

SYNOPSIS

Snapshots in Time

Momentaufnahmen einer Flucht - Die Menschen in Al Zaatari

Zaatari is the third biggest refugee camp in the world. Only 10 kilometres away from the civil war. 100.000 Syrians are currently living in this rocky desert, separated from their families - among these are 60.000 children. In this situation it is almost impossible to process and come to terms with the traumas caused by war and the flight. However, in this documentary we meet people who still try to overcome their Traumas.
