## The Jungle is Calling

### Urwald ruft, Der

A third of the forests here have already been irreparably destroyed; 66 per cent of the clearing is illegal and the people that need the forest for hunting and fishing are being forced out. "Here, war is being waged for land, wood and profits," says Thomas Schweiger, a Greenpeace activist. He was on board the Greenpeace ship "Arctic Sunrise" with a group of activists from 16 nations to battle the illegal activities of the timber companies. And the ORF camera team was there to witness it all.
