Orhan Pamuk - Mein Istanbul

Charges of «Insulting Turkishness» were finally dropped against him in January 2006 and recently, during the arrest of some Turkish right wing nationalists, his name was discovered on a list of assassination targets. Despite this, his love for the city of his birth, Istanbul, remains undiminished. In this film the author explains his heartfelt relationship to Istanbul, a city which, more than any other, spans the divide between modern Europe and mystical traditions of the Orient. He gives exclusive insights into his life and work and leads us through the vibrant and culturally flourishing metropolis on the Bosphorus.
