

# SYNOPSIS

## BEAT ME, I WON'T TELL YOU ANYTHING - KÄTHE SASSO, RESISTANCE FIGHTER

### Erschlagt mich, ich verrate nichts! - Käthe Sasso, Widerstandskämpferin

Käthe Sasso is one of the last survivors from the period of Austrian resistance against the Nazis. She survived agonising years in Gestapo prisons in Vienna, and in the process witnessed the mercilessness of Nazi justice. "Beat me, I won't tell you anything" accompanies the now 87 year old as she traces her encounters and experiences from that time in their original locations in Vienna. The film focusses on Sasso's activities and her imprisonment from 1938 to 1944, during which time she came to know the most important protagonists of Austria's resistance movement.
