

SYNOPSIS

A Fairy Tale - How Austria Came To Be European Football Champion

Das Wunder von Wien - Wir sind Europameister

The Austrias national team is victorious both against Switzerland in the quarter finals and against Germany in the semifinals. The joy and euphoria of the whole country lends wings to the Austrian players feet: In the last minute, their team wins the final against the Netherlands. After the victory the trainer of the lucky team as well as other football experts like Franz Beckenbauer, Otto Rehhagel and Giovanni Trapattoni have their say. Last but not least, the President and the Chancellor of Austria as well as different sportsmen and entertainers put in words their excitement about Austrias victory.
