

SYNOPSIS

No Kissing - Indian Cinema in Tyrol

Küssen verboten - Indisches Kino in Tirol

While other film productions often use just the mountain backdrop for editing in a video clip or a song, this Indian director has opted to set his story in Innsbruck - and when the Indian film stars fall into each others' arms in the midst of Tyrol's Alpine pastures, they can do anything they want - except kiss, that is, which is prohibited due to India's strict censorship laws.
