

SYNOPSIS

Beer - Cult and Culture

Bier - Kult und Kultur

Beer is one of the oldest and most popular drinks. It has changed over the course of the centuries and has meant liquid bread, adventure, friendship and myth. What is it that gives beer these special values? How did beer become such an important drink for every stratus of society in every part of the world? The journey through almost 10,000 years of history provides answers and insights into the cult and culture of this unique beverage. The film covers a wide span from the beginnings of brewing in the Stone Age to the present day and the future! After all, beer continues to develop in colourful fashion. Brewing trends create something completely new or breathe new life into old traditions.
