

SYNOPSIS

The Classic Car Spell -- Passion between Rust and Chrome

Faszination Oldtimer

They guzzle tons petrol, offer little comfort and even fewer driving aids and yet hardly anyone can resist their charm! In the first days of spring, they once more emerge from the garage into the road. There they provoke dignified admiration and risky overtaking. The documentary surveys collectors from Trabi and Opel Rekord to Porsche and Maserati as well as auction-house experts and consumer advocates on the phenomenon of classic cars. With mini cameras and maxi suction cups the dignified old cars are shown from previously unimagined angles...
