

# SYNOPSIS

## Becoming a City in the Country - 25 Years State Capital St. Pölten

### Vom Werden einer Stadt im Land - 25 Jahre Landeshauptstadt St. Pölten

St. Pölten's traditions go way back into prehistory. The youngest statecapital of the Republic of Austria has grown into a major political and culturalcentre, a magnet for politics and business, and it's a modern venue for sports and culture: Every August, more than 120,000 music fans pilgrimage to the so-called «Frequency Festival», and the «Ironman 70.3 St. Pölten» is known for its special ambience not only to sports fans.
