

SYNOPSIS

No Journey Too Far - A Journey Through Ethiopia with Almaz Boehm

Kein Weg zu weit - Mit Almaz Böhm durch Äthiopien

Ethiopia, with its wonderfully bizarre landscapes, cultural diversity and millennia of history, holds an extraordinary fascination. However its bitter poverty also puts us to shame. Life expectancy is just 48 years, and on average people eke out their existence on less than 100 dollars a year.

Ethiopian-born Almaz Boehm has recently taken over the running of the organisation «People for People» from her husband, Austrian actor Karlheinz Boehm, and is committed to continuing his life's work. No journey on unsurfaced dirt roads is too far nor hours spent marching on foot too long for her to reach out to the poorest of the poor, giving them pinpoint assistance using well thought-out methods and also courage and hope.
