## African Hopes - Women Online

### Hoffnung für Afrika - Frauen im Internet

It is a giant leap for the group around Wendi Losha at Bamenda, Cameroon - the women now have e-mail access and may surf on the Internet for a few moments. Wendi Losha organised the group more than 10 years ago in an effort to improve the hardships of rural women who are excluded from participation in family and communal decision-making. The women of Bamenda now own and manage a farm, three shops - and a tiny Internet café.
